Senior Report

The Senior Class was organized at the beginning of the year. John Damm was elected president, Wade Griffith, vice president and Mildred Yoder, secretary and treasurer.

A wiener roast was planned immediately. A large group of the class met in front of the school house and were loaded into machines to be taken to Buffington's woods. Everyone had a merry time searching for sticks, building the fire and making preparation for the feast. Finally all was ready and with joyous banter and much scorching of marsh-mellows the party went on. Everyone had a good time and all left early.

The class held a Hallowe'en party in the gym which was delightfully decorated with Hallowe'en colors, lighted pumpkins and corn stalks. Everyone felt the Hallawe'en spirit. Dancing and games were the feature of the evening, but then came the most important feature, "The Eats." Soon after this event the pleasure seekers wandered away.

The Class Valentine party. Place Gym. Date February 16. Time eight o'clock. This was the announcement of the Valentine party. Was everybody there? The whole class was there. It was the most successful party of the season. Most of the faculty were there to help us enjoy a good time. The Sophomore orchestra provided music for the dancing. All had a very good time, but Mr. Howser who was taking his first dancing lesson had a better time than the rest of those present. After the dance all went to the Domestic Science room and were served with a real lunch.

SENIOR CLASS BREAKFAST

The annual Senior Class Breakfast was served at Turkeyfoot Lake on Tuesday May tweny-second. The early morning ride sharpened appetites so that the repast of bacon and eggs disappeared as if by magic. The Seniors were out in full force and the Faculty was well represented. A very pleasant morning was spent in outdoor games and exploration of the beautiful lake region.

Junior Class Report

The class of twenty-nine started its third year in Wadsworth High School with the following officers: Franklin Waltz, President; William Kyle, Vice President, and Clara Messner, Secretary and Treasurer.

Our first social function was a wiener roast at Seiberling's grove. A large group turned out and everyone had a roaring good time. Numerous games furnished the entertainment.

The Hallowe'en party was held at the home of Frances Seiberling. An enjoyable evening was spent playing games and dancing. Then came the eats. Hurray! Soon after all turned towards home.

The Leap Year party. Some event! It was held in the gym and for once the boys had it easy. The usual form of party entertainment prevailed, but all, especially the boys, were waiting for "lunch."

The class is looking forward to their last year in school and they hope it shall be even more successful than this year has been.

Junior-Senior Banquet

The Junior-Senior Banquet was held in the gymnasium on Friday evening, May 18.

The room was artistically decorated to represent a flower garden. A very good dinner was served by the Ladies' Aid of the M. E. Church.

Sophomore Report

At the beginning of the year, the Sophomores met and elected Lyman Gerould, president; Joe Williams, vice-president; Ruby Watkins, secretary and treasurer.

The first social event of the season was a weiner roast held at Seiberling's grove. When we arrived, the fire was already kindled. Games were played and exploring parties went out and soon the bread line was formed and all were busy roasting weiners and marshmellows. Soon after this a tired but happy group started home.

The next event was the Hallowe'en party held at Porter's farm. A large number were present and all enjoyed a fine social time.

The Sophomore Valentine party was held at the High School. The chief forms of entertainment were dancing and card playing and the refreshments which consisted of punch, cookies, sandwiches, candy, and ice cream.

The Sophomores presented a very good play and two interesting chapels, and a number of the class are found in all types of activities so we feel that we have good reason to be proud of our activities this year.

Freshman Class Report

The Freshman Class was organized at the first of the year. Roberta Zechiel was elected president, Frank Randall, vice-president, and Gladys Burke, secretary and treasurer.

The members of the class met in front of the school at five o'clock. The group journeyed by automobile to Leatherman's Woods where the fun started. Several pictures of the class were taken, after which the merry crowd explored the woods. Soon all came back and the weiners were soon roasting over a cheery fire. All had a good time and were glad to have attended the party.

The Christmas party was voted upon by all the class so the day was set and the happy crowd came to the school where the party was to hold sway. A cheery Christmas tree had been set up in front of the office and around this was piled a gleaming white supply of Christmas gifts. There was a good sized crowd there for nearly all of the freshman class attended the party. Then came the end of the party for all had eaten their fill and each received a present for the one he had given and all went home happily.

The next party of the freshmen had a fine background, the gymnasium being the stage of the party. The gymnasium was beautifully decorated and the students and teachers all played cards, and after eating a hearty meal, went home.

The Freshman Class was well represented in all the sports. They have shown excellent spirit both in sports and in the class room. We feel that the year has been a success.

The primary purpose of the association is to promote better and cleaner athletics, and to confer on questions arising in school on this subject. The members, however, have parties in which the first purpose is not forgotten, but merely laid aside for a general good time.

The high school band was organized by Mr. Howser at the beginning of the year. We heard very favorable reports of the band every Tuesday and Friday from the Music Room.

They showed their colors by playing for the football games both at home and away. Again they showed their spirit by cheering our boys on to victory at the basket ball games.

The band played in several chapel programs a diversity of popular and semi-classical music.

The high school band was greatly appreciated this year by both the student body and the teams.

Junior Hi Orchestra

The Junior High

This is the next step from the grade school in the educational career of Wadsworth boys and girls. The schedule is arranged in cooperation with the senior high school thus acquainting the pupils with the latter's ways.

There are about 240 pupils enrolled in Junior High this year. The Junior High consists of the seventh and eighth grades which are each divided into three sections. The members of the faculty and their departments are: Owen J. Work, Principal, Arithmetic; Mrs. Ethel Fisher, Geography and Literature; Miss Carolyn Treffinger, English and Spelling; Miss Elizabeth Ames, Hygiene and Literature; H. P. Smith, Science; Meryl Baumer, History; Miss Helen Flinn, Domestic Science; E. J. Sorna, Manual Training; and Miss Mabelle Gans, Music.

The operetta, "The Isle of Chance," was given on March 9, 1928, by the boys and girls glee clubs, under the direction of Miss Mabelle Gans, assisted by Miss Ames, Mr. Baumer, and Mr. Work. Nearly 100 members had a part in making this a success.

KENMORE 24—WADSWORTH 0

Wadsworth traveled to Kenmore for the first game of the season. It was typical baseball weather and the heat was suffocating. Kenmore scored a touchdown every quarter, Wadsworth making no scores. In this game the team showed lack of experience and training.

ORVILLE 57—WADSWORTH 0

On Oct. 1 the Wadsworth ball-toters journeyed to Orrville. It was a hot day. The Red and White came home with a walloping 57-0.

GARFIELD 6—WADSWORTH 0

On Oct. 8 Garfield, a much larger and heavier team, came to Wadsworth. W. H. S. was doped to lose by four touchdowns, but every man on the team was thoroughly aroused and fought to win. The team was not victorious but they went down fighting. This game was one of the best played on a Wadsworth gridiron.

MILLERSBURG 7—WADSWORTH 0

On Oct. 15 Wadsworth traveled to Millersburg and staged one of the fastest games of the season. From the first kick-off the game was a game of thrills featured by end runs and forward passes. Not until the third quarter was Millersburg able to score. In the fourth period Parmelee recovered a M. H. S. fumbled punt behind the goal-line but Wadsworth was not given the score. The game ended 7-0 Millersburg.

BEREA 26—WADSWORTH 6

The Red and White warriors journeyed to Berea but here, too, the old jinx, followed the team. Berea scored every quarter. Wadsworth's lone touchdown came late in the third quarter when Captain Crisafulli fell on a blocked punt. Hantzsche pushed the ball over on a quarter-back sneak. The game was more bitterly contested than the score indicated.

MEDINA 7—WADSWORTH 19

On Oct. 29 Medina came to Wadsworth and was defeated in a fast game.

On the first kick-off Wadsworth, using the dead man play, sent Parmelee for sixty yards to a touchdown. Both teams then settled down to play straight football. As the half ended, a completed pass, Gersty to Damm, resulted in another score for W. H. S. Medina 6— W. H. S. 12.

The second half resolved itself into a punting duel. In the fourth period a Medina man intercepted a pass and ran for a touchdown. Then came a march up the field to Medina's twenty yard line. The ball was held for downs by Medina. Medina's punt was blocked and Porter fell on the ball over the goal line as the game ended. 19-7.

Last year's defeat had been avenged.

NEW LONDON 25—WADSWORTH 0

Wadsworth went to play New London on Nov. 5. The field was muddy and slippery. At the kick-off it was snowing so hard it was difficult to see, even the man next to you. The game was interesting although in New London's favor. The Red and White were out-weighed and could not check their rivals. New London scored four touchdowns, the game ending 25-0 in favor of Wadsworth's opponents.

WOOSTER 6—WADSWORTH 8

Wadsworth defeated Wooster, a much heavier team, in a hard fought game W. H. S. scored on a pass from Gersty to Parmelee on the first play. Parmelee ran seventy yards for a touchdown. Wooster scored in the second quarter. In the third period Gersty punted to the Wooster three yard line. On the next play a Wooster back was tackled behind his goal, thus Wadsworth won on a two point margin. 8-6.

Sandy and Nick were the stars of this game.

BARBERTON 6—WADSWORTH 0

In the last game of the season Wadsworth met their old rivals. Ten Seniors had their last chance in this game to play for Wadsworth High. The game is one that Barberton will never forget. In the first half the hard scrapping Wadsworth held Barberton scoreless.

In the second half Barberton put up a good battle and scored a touchdown in the third qaurter, but after that it was all Wadsworth's. Even though they did not score they kept Barberton busy.

Ed. Gersty was out of the line-up and this left a hard hole to fill. Every man played a good game and fought till the final gun.

Football-Basketball Banquet.

The joint Football, Basketball Banquet was held this year in the Domestic Science Room. All the guests arrived promptly and pitched in to a delicious banquet, served by the Domestic Science girls.

After the banquet came the elections of captains of the respective teams. These intermingled with excellent toasts by Mr. Close, Mr. Mayhew and the Coaches and flavored with excellent dinner music by the Sophomore Orchestra constituted a very successful banquet.

An Interclass tournament game was played each Wednesday after school.

The cup, a possession of the Seniors for the past two years, became the permanent trophy of the Senior Class with the winning of the tournament this year by the Senior team.

The tournament was decidedly close and interesting, three of the teams being evenly matched. It was only after the Seniors played off a tie with the Juniors that the cup was finally captured.

The percentages of the teams were:

Seniors	700%
Juniors	600%
Sophomores	500%
Freshman	100%

Interclass Basketball

The Girls' Interclass Basket Ball tournament was won this year by the Sophomores. After consistant hard and scrappy playing, though not with brilliant scoring, the Sophomores took the lead from the Senior girls to win the tournament.

The tournament was interesting and the outcome was unexpected, as the Senior team had won the cup for the past two years, but one of the Senior star forwards, for some trival reason "laid down" on her team mates.

The tournament showed to our coach much promising material and developed clean sportsmanship and class spirit.

The school enjoys the tournaments and all say that it was a success this year.

He was an iron worker riveting on the thirty-fifth floor of the new skyscraper, and as iron workers are apt to do once, he slipped from the topmost steel girder.
